For many years she was on the Board of Directors for the Terrell Chamber of Commerce and during that time served on their Executive Board for Economic Development. As part of her Chamber experiences, she was instrumental in bringing the program "Work in Terrell" to success. As a result she traveled to Austin with the Chamber, City and other business leaders to accept the State of Texas Economic & Workforce Development award. Carol started the School to Work-School to Life program with the Terrell I.S.D. and local businesses to bring students and businesses together to help build skills and careers. Ms. Ohmann is very honored to be asked recently to join the Board of Directors of Pride Rock Wildlife Refuge. This is a wonderful organization committed to providing permanent sanctuary and shelter to mistreated and unwanted wild animals, primarily lions, tigers, cougars, bears and wolves. She is very excited and looking forward to helping with these successful and noble efforts.
