PrideRock Wildlife Refuge (PRWR) is always looking to partner with the community to help with our animal’s well-being. We would love it if our fantastic support team and local businesses would be interested in taking their support to the next level by becoming a sponsor!

Becoming a sponsor has many benefits and will allow you to feel even more like you’re part of the PrideRock family. As part of our sponsorship program here is where your contribution will be going toward:

**Construction**

We are working to expand our enclosures so that our animals may have more room to roam. Projects like this can cost upward of $100,000.

**Care**

Taking care of wild animals is expensive. To be able to feed our animals each week it costs us around $120 per animal. It can also cost us up to $2,000 per vet visit to make sure that our animals are healthy.

**Maintenance**

Our team works hard to make sure that our enclosures are working properly. Between cleaning supplies, tools and products like big box fans, it can be expensive. Historically, maintenance cost us up to $30,000 per year.
